

PUBLIC SERVICE BOARD
PUBLIC NOTICE RE:
GREEN MOUNTAIN POWER CORPORATION'S
PROPOSED RELOCATION OF TRANSMISSION LINE
IN PITTSFORD, VERMONT

PSB Docket No. 8019

You are hereby notified that Green Mountain Power Corporation has filed a petition with the Vermont Public Service Board ("Board") for a certificate of public good ("CPG"), pursuant to 30 V.S.A. Section 248(j), authorizing the relocation of 270 feet of 46 kV transmission line in the Town of Pittsford, Vermont.

The proposed project will take place entirely within the existing Omya industrial site off of Whipple Hollow Road in Pittsford, and will accommodate the replacement of a customer-owned substation at the East Plant of the Omya mineral processing facility. More detailed information is available in the petition, copies of which are available for review at the Public Service Board's offices at 112 State Street, 4th Floor, People's United Bank Building, Montpelier, Vermont, and at the Pittsford Town Clerk's Office, located at 426 Plains Road in Pittsford, Vermont. Information on this proposed project is also available on the Board's website: www.psb.vermont.gov

Persons wishing to submit comments as to whether the petition raises a significant issue with respect to the substantive criteria of 30 V.S.A. Section 248 **must file their comments with the Board on or before May 7, 2013.** Any comments should be sent via U.S. mail to Vermont Public Service Board, 112 State Street, Montpelier, VT 05620-2701, or via e-mail to psb.clerk@state.vt.us. If no comments raising substantive issues are received, the Board may grant a CPG without a hearing.
